times and good sunshine**

FUN TIME

Students will be able to build their fine motor skills. ☺ RESOURCES :Making flowers 🌸 with paint 🎨 and plastic bottles 🍷 can be a fun and creative activity for children. Here are some steps to guide the process:

Materials:

1. Plastic bottles (cleaned and dry) 🍷
2. Acrylic or tempera paint 🎨
3. A4 size sheet 📄

Instructions:

Start dip the back of plastic bottles into the paint colour and ask your child to tap the bottle on sheet and they will see they create a beautiful flower.

They can use the different colour for the flowers. Encourage them to use their creativity and imagination to make unique and colorful flowers.

Let the painted flowers dry completely before moving on to the next step.

Once the flowers are dry, use green paint to create stems on the flowers.

This activity can be a great way to encourage children to use their imagination and creativity, while also teaching them about recycling and repurposing materials. Plus, they'll have a beautiful bouquet of flowers to display and enjoy! a picture 📷 of your child's creativity and share them on my personal number

FAMILY TIME

Summer fun with lemonade LIFE SKILL

Let's make lemonade with lemon.

Learning and playing with your child can be fun for you. 🧑🏻. You will find that your child is curious and eager to talk and play with you...Spending time with kids is not only about helping them with their homework it could be simple yet fun stuff that you can do together 🧑🏻. By doing little things will help you and your child to bond with each other and strengthen your family bond.

Let's do the activity. ✨

☑️ Take a glass of water add some sugar into it and squeeze some drops of lemon in it.

Use some mint for garnish. While making lemonade at every step you can ask the child "what are we doing now".

Appreciate their answers..

While explaining use appropriate vocabulary like pour, squeeze ,mix sour and sweet.

Let them taste and ask them it's sweet or sour..

LET'S CONNECT WITH NATURE

Let's connect with nature 🌱 PLANT SEEDLINGS AND DO SOME GARDENING

🏠 Let's connect with nature 🏠

RESOURCES flower pot 🪴 mud ,seeds 🌱 and to water a seed use mug/can 🥤

Teach your child 👤 how to water the plants as you do some gardening. 🪴 Then get some seedlings to plant and let your child take care of the plant as it grows. 🌱 It's a great way to teach your child to love nature 🏠 as you share your love of gardening with him/her. The gardening process requires a lot of effort and planning. You will get to spend real, quality time with each other when you start this process as a family 👨 👩 👧 👦 . When you garden, it provides a wonderful way to relieve some stress and enjoy a bit of peace. This is also a fantastic time to teach your children more about plant life and the natural world. 🪴

BALLOON TENNIS
