Glimpses of November

Back to school and ready to grow!

The last month of Autumn, but the beginning of new adventure. Time to take risks and do the unexpected.

This November, the start of the school year seemed more overwhelming than ever before. One could see the mixed feelings of excitement, joy, and confusion among the students, parents, and teachers.

A Glance of Our Art Room

Here are my hands with ten fingers in all.

My first mark in school to hang on the wall.

As years go by, I'll remember and say, "My hands and I had a very good first day!"

To make the first physical day of the session more memorable, the students of Grade 1 made a souvenir. They had a photo frame making craft activity to capture the first day of school.

"Like a butterfly their wings unfolded."

UKG kids made beautiful and colourful butterflies by their hand imprint cut outs.

We teach our kids to be like airplanes, to fly high and touch the sky.

For better understanding of the topic 'Transport' and 'Modes of Air transport', LKG kids made colourful airplanes.

Diwali, the festival of lights was celebrated this month. The students were taught to make creative lanterns and torans. They made beautiful lanterns with their tiny hands to decorate the walls with their creations.

Watching seeds grow is an amazing science lesson for kids as they are very curious about life and growth of living things. Kids of UKG did craft activity related to germination.

Children's Day Celebration

Children are the most beautiful creation of God. They spread fragrance of love and happiness wherever they go. Children's Day was celebrated at Westwind Kindergarten with great fervour and zeal. Children had gala time while listening to the story about Animal Friends, they enjoyed dancing and singing together.

Filters

From Online to on Campus

We are back to learning, laughing and growing together.

Children had a great walk through in the school and went for a School Tour to get familiar with the school after a very long time.

Role-play

The Essence Of A Role-play Is That It Is A Group Co operative Experience.

To enable their kids to enjoy the experience of roleplay, West Wind Kindergarten had a role play by teachers on Thursday, 25th November '21.

The teachers dressed up as the characters of the story 'Two Cats' and enacted the story.

Special Assembly

Clothing is about comfort and feeling good.

Children of Grade 1 enthusiastically participated in the special assembly where they showed different types of clothes that reflected different seasons like summer, winter and monsoon. They also shared the importance of wearing these clothes in various seasons.

Fun with Shapes

Children of NURSERY were asked to bring cheese slices and different spreads for the activity. They were immensely involved in the spreading and cutting the sandwiches and were happy to see various shapes. Teachers also talked about the different textures and tastes of the ingredients used in the sandwiches.

Orange Day

Orange is the colour of autumn, spice, form and design. Orange is jovial, cheerful and playful.

The children of Westwind Kindergarten celebrated ORANGE DAY on 29th November '21 with the sole objective of acquainting the little ones with the concept of the colour, and objects related to it. Our little ones were dressed up in different shades of vibrant orange colour. The classrooms were beautifully decorated according to orange theme.
