- Festival Time
- Plantation Day
- Air Activity
- Sink and Float Activity
- Mixing Activity
- Fancy Dress Activity
- Pink Day

"In the entire circle of the year there are no days so delightful as those of a fine October."
And to make it more delightful, the tots of Westwind Kindergarten had a variety of activities and celebrations in October.

RHINO DAY ACTIVITY

The greatness of a nation can be judged by the way its animals are treated.

World Rhino Day was celebrated by the Students of LKG to create awareness about Rhinoceros. Children showed their magical creativity by making Paper Rhino.

READING WORKSHOP

A Virtual CVC Reading Workshop was conducted for the Parents of LKG wherein the tips, tricks and techniques were shared with them to make their child read, blend, build and segment the words easily with the help of phonics.

LETTER FUN ACTIVITY

There are so many different ways you can create art with leaves. LEAF PASTING is an easy activity that kids of all ages will enjoy.

Students of Grade Nursery did leaf Pasting Activity to get familiar with the Letter L.

PUJAMA PARTY ACTIVITY

Online PUJAMA PARTY was organised for nursery kids. They dressed up in their snazziest night dresses and carried their favourite soft toy for a sleepover with their mother. Concept of DAY AND NIGHT was introduced to them. They also enjoyed bedtime story form their teacher.

FESTIVAL TIME

Children of UKG dressed up in their Favourite Festival Dress and spoke few sentences about it.

They looked gorgeous in their colorful attire. They were very excited to know about different festivals that are celebrated in India.

PLANTATION DAY

"Keep Planting Seeds you never know what may take Root."

UKG kids of Westwind Kindergarten learned about germination. They did the experiment themselves following the instructions by their teachers.

They were very excited to know as to when they will be able to see their Baby Plant.

AIR ACTIVITY

To show the presence of air in the atmosphere, Grade 1 kids did few activities during their online classes in which they learnt the properties of air like air fills space, it has weight and it is needed for burning, with balloons and candles.

Grade 1 Activities

Properties of Air

SINK AND FLOAT ACTIVITY

A play based learning activity about Sink and Float was demonstrated in an Online Class of UKG to make the kids understand heavy things sink and light things float in Water.

MIXING ACTIVITY

Our UKG Kids did an Experiment to Learn which things Mix in Water and Do not Mix in Water with only few kitchen items and objects from the surroundings.

FANCY DRESS

India is the land of festivals. Many different festivals are celebrated throughout the year in our country. That is why it is called Incredible India

To celebrate and to enjoy this diversity and incredibility of our country, Grade I had an online Fancy Dress Day. The children dressed up as an object / special feature related to their favourite festival.

PINK DAY

Our jovial kids of Westwind Kindergarten celebrated Pink Day Virtually. It was wonderful to see our children bloom and blossom in different shades of pink. It was a fun filled Session and children participated enthusiastically and enjoyed the session.
