## WELCOME BACK .....

After a relaxing summer break, it was time to virtually meet new classmates as well as teachers.

A new scope to widen the horizon of knowledge and learning through fun filled activities.

## MY FAVOURITE TOY

The reopening day of school always brings happy thoughts. Our Nursery toddlers during the online session conducted on 14th June, enthusiastically shared their fond moments with their favourite toy.

# STORY TIME

Storytelling is the most powerful way to put ideas into the world. The students explored the magical world of story - "The Chick and The Duckling" and they got involved in the story by doing some actions on 14th June 2021.

# OUR CREATIVITY!!!!

Days of fun, not in a bun; summer holidays are a pleasure and children's treasure. The resuming of the online classes witnessed the spirited Nursery children exhibiting their summer home work toil.

## ALPHABET ACTIVITY

A

B

Tell me and I forget,  
Teach me and I may  
remember, involve me and I  
learn.

To help the children learn  
their alphabet in a fun way,  
Nursery held the alphabet  
activity day on 16th June 2021.

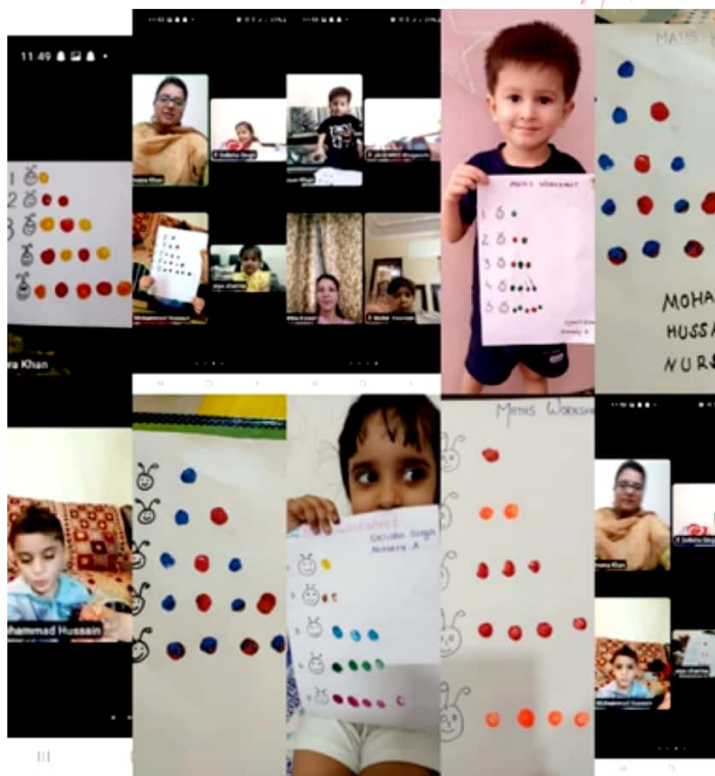

## NUMBER ACTIVITY

The wider range of  
possibilities we offer the  
children, the more intense  
will be their motivation to  
learn.

To motivate them to learn  
numbers and to enrich  
their experience, Nursery  
observed Number Day on  
17th June 2021.

## FIRELESS COOKING

When life gives you Fruits, make Fruit Chaat!. We had a tempting Fireless Cooking Session on 17th June 2021 where the children of LKG prepared tasty and healthy fruit chaat .

## VIRTUAL PICNIC PARTY!!!!

The students of Nursery and LKG had a virtual picnic on 18th of June. It was a time to devour snacks and sweets with the family members and teachers in the scenic surroundings of their homes.

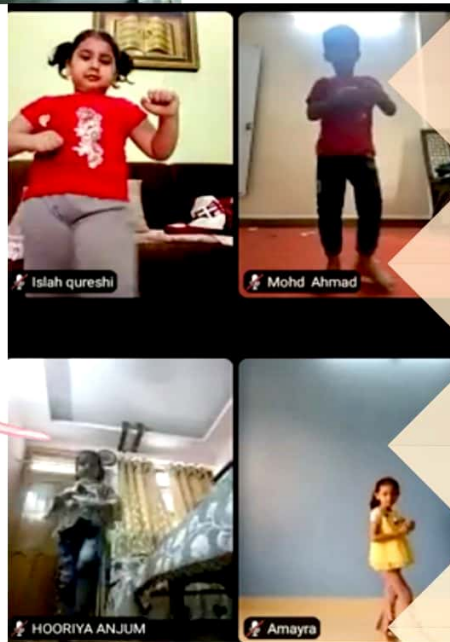

## MUSIC DAY

Music gives soul to the universe, wings to the mind, flight to the imagination, and charm and gaiety to life and to everything.

A child who sings is a happy child!

The students of UKG celebrated virtual music day on 18th June.

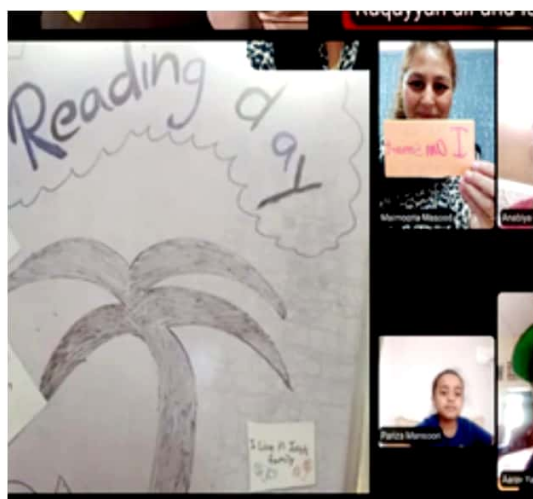

# READING DAY

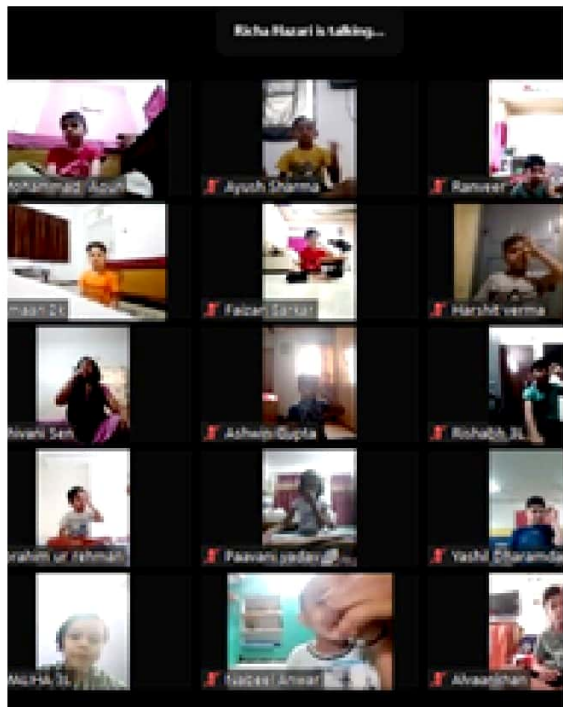

Reading is to the Mind as  
Exercise is to the Body.  
The more that you read,  
the more things you can  
know and the more you  
can learn.

A Reading Session was  
held on 19th of June for  
uKG and Grade 1 kids to  
build up their reading  
skills.

Children learnt to read  
CVC words and  
sentences.

## INTERNATIONAL YOGA DAY

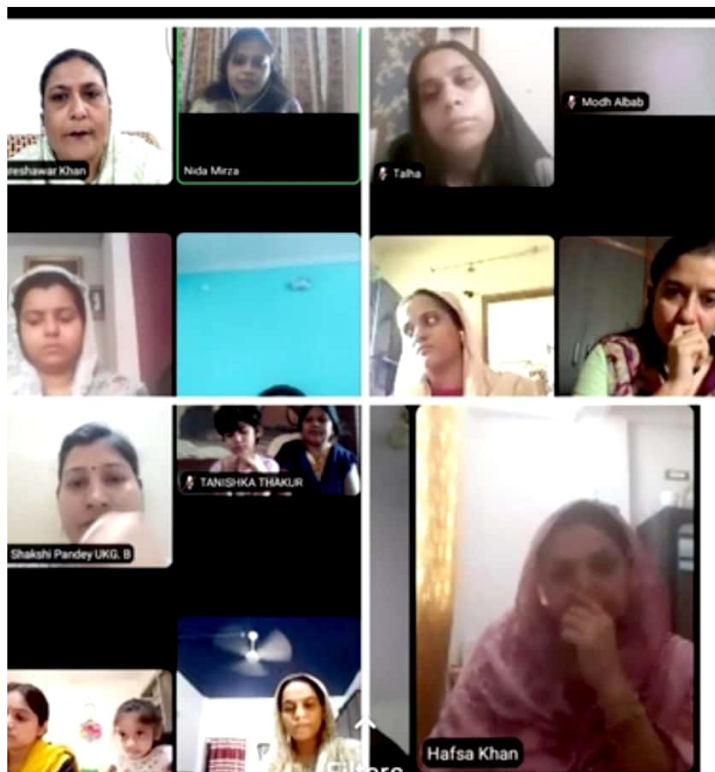

Yoga is the exploration of mind, body and soul. Children, through games encapsulate the yogic exercises early in their life. It comes naturally to them. To encourage our little ones to explore the yogic practices, Yoga Day was celebrated on 21st June. Weekly yoga sessions are also conducted.

## FEEDBACK SESSIONS

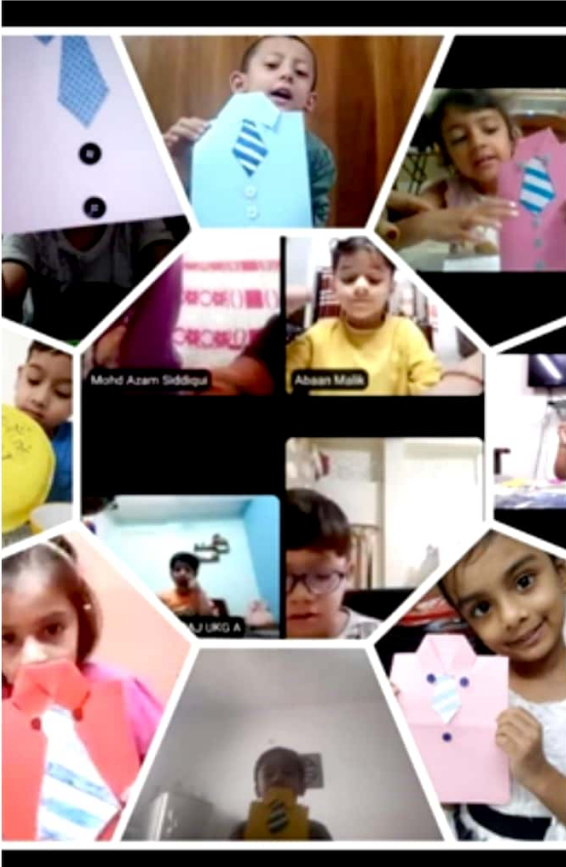

A Virtual Parents Feedback session held on 26th June. Parents' suggestions form the basis of our progress. Our teachers also briefed the parents regarding the online pattern of examination and activities. It was a fruitful and an engaging session for the parents as well as for the teachers.

## FATHER'S DAY CELEBRATION

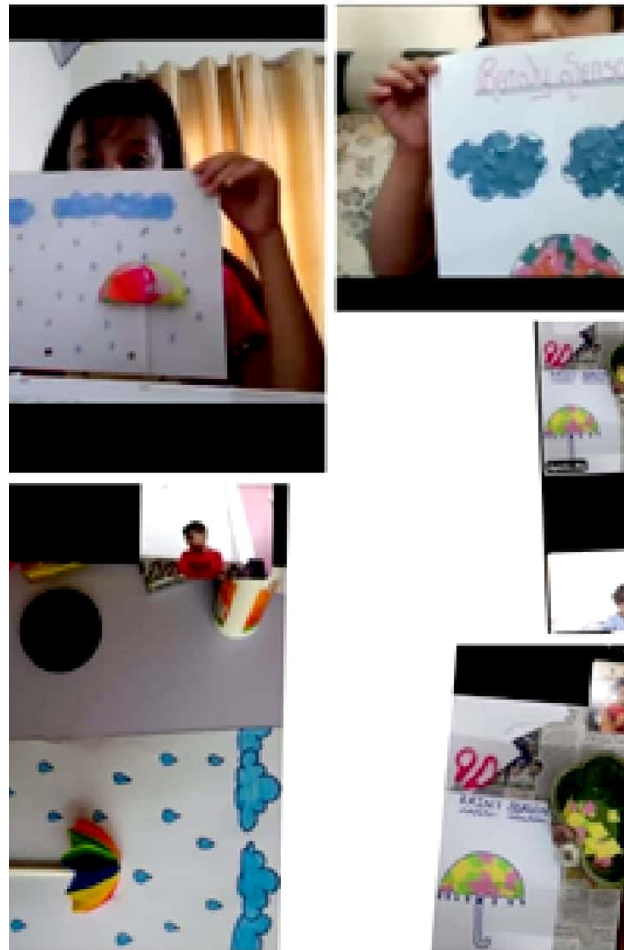

"Your arms were always open when I needed a hug; your heart understood when I needed a friend; your gentle eyes were stern when I needed a lesson; your strength gave me wings so that I could learn to fly." A father's selfless love is pivotal in nurturing the child and there could not be a more universal celebration than the one that celebrates the accomplishments and efforts of Father. Celebrating this precious bond we honoured our fathers on this Father's day by making beautiful greeting cards and medals for them with craft activity.

## RAINY DAY

Westwind Kindergarten keeps on concocting innovative techniques and styles with which learning could be made more rewarding and interesting. Rainy day is always a fun time for the kids. Rainy Season was introduced to the kids with help of beautiful craft activities related to the theme.
