

August has been a very demanding one. Apart from Independence Day celebration, we also had other events that needed our attention. Our Independence Day & Green Day was a testimony to the amazing progress our children have done. We will all agree that the past few months' studies have indeed made them smarter.

The World of Animals

Tell me and I forget, teach me and I may remember, involve me and I understand.

A Special Assembly was conducted on 3rd August'22 on the theme "The World of Animals".

The teachers introduced different animals to the students and interacted about them.

Students of UKG concluded the assembly by singing a song 'Old Mac Donald had a Farm' and represented Old Mac Donald and different animal characters and did the actions along. Students also became familiar about the sound of different animals through a play and learn method.

Shapes Puzzle Activity

Puzzles are awesome for children's brain development especially for improving cognitive skills, critical thinking, predicting, analysing and comparing. Students of UKG did Shapes Puzzle activity on 5th August'22 which enhanced their knowledge about shapes, developed fine motor skills, built new brain connections and become independent learners.

All About Me

"Be who you are and say what you feel"

An activity to get to know yourself and your classmates was conducted on 6th August, 2022 on the topic 'All About Me' for the students of UKG.

An interesting circle time activity about the children and their families was conducted, and then, the children made creative booklets filled with lovely answers and drawings.

Children loved doing the activity and discovered many things about themselves !!

Friendship Day

" Friendship is all about trusting, helping, and loving each other. It is rightly said that, friends are the family we choose"

To celebrate this special bond of friendship, we at Westwind Kindergarten along with our little fellow students from Nursery to Grade1 celebrated the day of friendship on 6th August'22 with many fun-filled and amusing activities. Our children exchanged friendship bands, participated in a hand printing activity, and even made new friends! The day was spent playing, laughing and being together!

Fire-Drill

Kids love superheroes. The fact is, adults do, too! Ordinary people... with the desire to help...donning special uniforms...defying the odds and making the world a better place to live.

Westwind Kindergarten organised a visit of the well known fire-fighter, Mr Sajid Khan on 10th August'22. He shared valuable information about the hazards of mishandling of domestic cylinders, electric points, playing or misusing flammable sprays and other things that might cause fire to break out. He also gave important tips on do's and don'ts in case of fire mishap. He showed some equipments used by the fire fighters.

Story-Time

Circle time encourages listening, talking and sharing among the children. Also, it encourages the development of social skills by providing daily, structured social interactions; hence nothing is better than a storytelling session during circle time.

LKG had a wonderful storytelling session of "The Lion and the Mouse". Story was enacted by the teachers and students emphasizing on the voice modulation and imitating the characters of the story. Through this story all the students learnt about helping, sharing and caring which encouraged development of social and emotional skills.

Circle-Time

Circle Time plays an important role at Westwind Kindergarten. Circle time helps children to enjoy their learning. It also helps teachers to strengthen the bonding with the students. It develops a wide range of skills and attitudes, such as confidence, self-esteem, talking and listening. We at Westwind Kindergarten always start our day with a Circle Time routine so that our students get a chance to interact well and engage with each other.

Our Tri-colour

The Indian flag is the symbol of our freedom, national pride and history

On the occasion of the 75th year of independence, the students of LKG participated in Drawing and Colouring Competition on the theme - The Indian Flag organised on 13th August'22. The little artists participated with great fervour as drawing and colouring the Indian flag awakened, their devotion for the country and admiration of the Indian flag. It gave a chance to the budding artists of all hues to showcase their creativity and experience a diverse form of learning as this evaluated their knowledge about the Indian flag, tri colour and the Ashok Chakra!!

Visit to Police Station

FIELD TRIPS ARE NOT ONLY LOTS OF FUN BUT THEY CAN ALSO BE VERY VALUABLE LEARNING EXPERIENCES FOR YOUNG ONES.

On the occasion of the 75th year of independence, the students of Nursery WESTWIND KINDERGARTEN visited the Police Station on 13th August'22 to understand the functioning of police station as an integral part of our community.

The tiny tots were warmly welcomed by the Police Officers. The students learnt about their ethos, working and functioning of a police station. Initially, the kids entered the police station with serious faces but the friendly officers interacted warmly with them and put them at ease immediately.

Our curious kids asked several questions and the policemen very happy to answer them.

Aksharon- Rail

Aksharon ki Duniya se nikal kar aao banaen Aksharon ki Railgadi.

UKG Kids did an activity on 13th August'22 Saturday. They made a Railgadi by arranging the Akshars in sequence along with their pictures.

This activity helped the kids to recognize the Akshars and stick them in correct sequence.

Seasonal Fashion Parade

Style is a way to say who you are.

We at Westwind Kindergarten School believe that every child is perfect in his/ her own unique way. We just have to foster their inner potential and provide them with the right platform. To bring out the hidden talent in our tiny tots and team it with fun & frolic, we had organized a Seasonal Fashion Parade for the students of UKG on 20th August'22.

The students showcased different seasons by walking the ramp smartly in their attractive and beautiful costumes and props.

World Elephant Day

Elephants are both enormous and exciting! We celebrate World Elephant Day in the month of August every year to raise awareness about the dangers that elephants face and the various difficulties they have to overcome to live.

Toddlers of Westwind Kindergarten celebrated World Elephant Day on 20th August'22 and had a wonderful story time and got to know the significance of the giant animal like its colour, body parts and the habitat.

They also made an Elephant using craft materials and did many fun activities to mark the day.

Our Community-Helpers

Let's meet our helpers

Any work of art simply makes lives, shapes life, and expresses all shades and stages of life. The beautiful session for students of Nursery and LKG commenced with creative personalities like Fire man, soldier, Mason, Gardener, maid and driver. Our little munchkins learned and experienced the important role of community helpers in our life. Children enjoyed with great enthusiasm. They came to know about the tools that are used by our community helpers and became aware of the safety rules too.

Long and Short Activity

THE WORDS WHICH MAY SEEM EASY TO PRONOUNCE BUT THEY PLAY AN ESSENTIAL ROLE IN EVERYDAY LIFE.

To understand the concept of long and short, Nursery kids were shown different objects like scale, tube light, ribbons, rope, pencils and blocks to make long and short train on 25th August'22.

They have made long and short lines with the help of clay in which they enhanced their skills and observed the long and short objects around them.

Green Day

Green is the colour of nature's heart.

Shining Stars of Westwind Kindergarten celebrated Green Day on 27th August'22 with great enthusiasm and zeal. Students were introduced to the green colour through different objects and enhanced their vocabulary.

Students were glowing in different shades of green and they went for a nature walk as Nature walks are a great way to soothe the mind. A walk in the nature brings us serenity by allowing our enthusiastic learners a chance to observe the surroundings, understand the environment and connect with nature.

The little explorers observed nature and investigated living and non-living things. Children were inspired to love and appreciate the natural world.

Students had a great time listening to the Stories and played some interesting games.

They also did leaf impression, vegetable printing and fun frolic craft activities to mark this day.

The main idea was to captivate the imagination and creativity of children by giving them an opportunity to get involved in various activities and they also discovered and explored their learning.
